

Forest Springs Homes for Sale

Forest Springs Mobile Home Community has both new and previously occupied mobilehomes for sale. Phases I, II and III feature previously occupied homes for sale while Forest Springs' new Phase IV is currently showing homesites to lease and taking orders for new manufactured homes to own, customized to your taste.

Golden State Manufactured Homes is the in-park dealer of new manufactured homes in Forest Springs Mobilehome Community.

Jessica Lunsford, Marketing Executive & Real Estate Broker with Golden State Manufactured

Homes, handles sales for all Forest Springs' new Phase IV homes and their placement on one of 62 new home sites for lease. Please click here [Phase IV homes for sale](#) to learn more about available homesites and new home options.

Alan Kilborn, Forest Springs General Manager and Real Estate Broker, and/or **Jessica Lunsford**

handle sales for Forest Springs owned, previously occupied residences in Phases I, II and III

Please click here

[Phase I, II and III & homes for sale](#)

to see a listing of all previously occupied homes currently for sale in the community that shows prices, addresses and seller contact information.

Listings and prices are subject to change.

The details of the plan will be provided to you by the professional staff of the Forest Service. The Forest Service is ready to assist with
